

# ARJUN HAREESH S

AI AND BI DEVELOPER

## CONTACT

- +91 6383876196
- arjunhareeshsenthil@gmail.com
- tamilnadu,India
- [www.linkedin.com/in/arjunhareesh25](https://www.linkedin.com/in/arjunhareesh25)
- <https://github.com/arjunhareeshs>

## TECH SKILLS

- c programming
- c ++ (basics)
- python
- java (basics)
- Data structures
- microsoft (excel , powerpoint)
- data science
- machine learning
- deeplearning
- web development

## SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Critical Thinking

## LANGUAGES

- English
- Tamil

## PROFILE

I'm a student passionate about AI and BI, exploring how artificial intelligence can transform industries and how business intelligence tools drive data-driven decisions. I'm excited to learn and apply new technologies to solve real-world problems and contribute to innovations in these fields.

## PROJECTS

### Real time resume score analyser

- It analysis the real time score of a resume uploaded
